DEDICATION

Mr. Max Swinford and Mr. Stan Martin

Max Swinford — a tireless and energetic teacher and administrator who has served Larkin High School for many years, is now retiring from the teaching profession. Mr. Swinford will continue to be an active supporter of the Larkin Royals. Throughout his career at Larkin Mr. Swinford has always gone the extra mile to do the very best job possible for our students. He will be missed by all of us. We wish him the very best of happiness in his retirement years.

— John C. Pennoyer, Principal

A high degree of interest in students, staff, and Larkin are basic characteristics of "our" Max Swinford. He is a dedicated teacher, a frugal and strong leader, and a "coach" to many Larkin athletes. Max is a vocational education teacher known and respected throughout the state of Illinois. He is also a family man, a gardener, and an avid mushroom hunter. We will miss his always present humor and his dedication and devotion to Larkin High School. Have a long, pleasant, retirement.

— David L. Brown

NEVER A SICK DAY IN 35 YEARS!! Seems impossible, but this claim certainly exemplifies one dedicated teacher — Max Swinford. This year marks the beginning of a new life for Mr. Swinford who has chosen to retire after serving as Division Chairman at Larkin for the past eighteen years.

He was born in Windsor, Ill. After high school he enlisted in the Marine Corp for forty months. This tenure made him eligible to enroll in college under the G.I. Bill. He graduated with a B.A. degree from Eastern Illinois University and later received his M.E. degree in administration and guidance from University of Illinois. Before coming to Larkin, he served as coach, guidance director, and principal at several central Illinois high schools. He is credited with starting the Cooperative Work Program at Elgin and Larkin High Schools.

His retirement plans include spending more time with his sons and daughter, and his four grandchildren. Traveling with his Betty, subbing and doing more service work and joining the Larkin Booster Club are also included in his plans. Mr. Swinford, here's to 35 more years without a sick day!

We thank Mr. Swinford for unselfishly volunteering to be our coach this past season. We know that it had been a long time since he had coached; but without him, we could not have competed. Thank you for caring.

— 1983-84 Girls' Varsity Basketball Team

Stan Martin was born in Watson, Illinois, and left there to begin teaching in 1949 in downstate Illinois; from there he went to Dietrich, Illinois where his students included Mr. Carl Nosbisch. From there he went to Clinton, Illinois, and in 1964 began his teaching at Larkin and finished twenty years here to mark his retirement. He has taught U.S. History and World History while being Asst. Track coach for fifteen years, head basketball coach for a number of years and Dean of Students for two years. His retirement plans include a visit to and possible retirement in California. His parting words to present and past students are to prepare because you always know a five point quiz is coming. It has been a pleasure both personally and professionally to know a man like Stan.

— John Jenkins

It has been my privilege to work with Stan Martin during the past six years, and I have enjoyed and profited from my association with this outstanding teacher. What may be less well known by today's students is that Mr. Martin has served Larkin High School for many years not only as a teacher but also as an administrator and a coach. He has played a significant role in building the fine traditions that make Larkin High School outstanding. We shall miss him greatly. Best wishes to Mr. Martin for much happiness in the years ahead.

— John C. Pennoyer, Principal

Mr. Martin is a great teacher. He has an unusual way of appealing to all sorts of kids. Along with learning history, we have a great time. I actually looked forward to going to his class.

— Jon Monkemeyer

Against All Odds was a melodrama-love story starring Jeff Bridges and Rachel Ward. We, too, were up against all odds, whether it was on the basketball court, on the football field, or in the classroom.

AGAINST ALL ODDS

TERMS OF ENDEARMENT

Terms of Endearment walked away with top honors at the 1984 Academy Awards capturing among other awards best picture, best actress, and best male supporting role. It was the saga of a bitter love relationship between a mother and her daughter, and many people could identify with at least one of the characters. *Terms of endearment*, however, is not necessarily only limited to a mother-daughter relationship. Below are pictures of terms of endearment — Larkin style

FOOTLOOSE

Footloose — Thanks to the popularity of *Fast Joe* starring Jennifer Beals, *Footloose* became the male counterpart of dance expertise. Starring Kevin Bacon, John Lithgow and Lori Singer in *Footloose* this movie, as well as *Faithdance* affected the fashion and entertainment fields tremendously. Our footloose and fancy-free dancers enjoyed showing off their routines at our dances — whether it was a punk, beach boy, or breakin' theme

WEST SIDE STORY

CERULEAN

CERULEAN

For twenty-two years now, Larkin has had its own special "vest side story" to tell as we have become the arch rival of Elgin High and also as we have started to have our own special traditions. We have captured a few of our memories in these two pages of our Larkin story for 1983-84 — our Vest Side Story.

CLASS OF '84

The Way We Were, a comedy starring Robert Redford and Barbra Streisand, recounted the marital problems of a young couple as they grew and changed. *The Way We Were* is captured here with baby pictures of several of the graduating seniors. Funny, how sweet and innocent we all looked!

THE WAY WE WERE

Below are the names of the seniors, in no particular order, whose picture is on one of these two pages. Match up the picture to the name yourself. Seniors: Ron O'Neal, Michelle Palmer, Penny Williams, Jack Moorman, Kathy Scully, Debbie Grex, Amy Bouque, Kevin Bradley, Mark Gasser, Kris Whittinghill, Sharlene Unger, Sharon Balsis, Cheryl Burns, Jeff Abbott, Paul Wenger, Jeff Caseber, Jennifer Bueche, Soula Toufexis, Frank Shalette, Richard Welsh, Risé Jones, Jenni Behnke, Dan Shannon, Debbie Holmberg, Beth Shaw, Judy Roswald, Julie Sobinsky, Mary Kay Kinsinger, Tene Bauer, Bob Ahrens, Sara Rayner, Juan Valdez, and Chris Jeffress

BRACES

Look at all the people around you. What do you see? BRACES! Braces have been a part of many kids' lives. Can you recognize any of these?

SPOTLIGHT ON ACADEMY PRODUCTIONS — EVENTS

FADS

This year Preppies went out and Punks took over. Everyone got into wearing "different" clothes. Even guys got into the act with their parachute pants and checkered shoes. Girls wore garb ranging from bizzare earrings to Flashdance sweatshirts. In years to come, these fads will show how ridiculous we all were

HOMECOMING FLOATS

T.V. Commercials was the theme for the 1983 Homecoming parade. Floats were appropriately made by using themes such as the Juniors float "Tomcats, Chicken of the Royal Sea" which won best float over-all. The Senior float appeared with a large cockroach and a can of Larkin on it with the catchy theme of "We're Larkin, we're #1, we get the job done." "Fishin' for Victory is no Bologna" was the Sophomores float theme and "Kick 'em in the Buns Big Blue" was the theme of the Freshman float. Spanish Club won the best non-float

HOMECOMING DANCE

Carrying on a Larkin tradition, the Homecoming Dance of 1983 was sponsored by the Senior Class. It was held in the Larkin Commons on Saturday night following the Homecoming game. The music was provided by the band "Hard Times." It was a semi-formal dance, which was culminated by the crowning of Chris Jeffress and Nancy Schroeder as Homecoming King and Queen

CRUTCHES

This was the most accident-prone year Larkin has had in a long time. Whether it was sport-related or plain klutz-related, there was a wide variety of people on crutches. Students often times had problems maneuvering on crutches. Some tried to go up the stairs while others hobbled through doors. All in all, the students were overjoyed when they finally were able to walk on their own two feet

MAGIC! MAGIC!

Magic! Magic! was the play presented this past fall in three evening performances. The play was directed by Mr Haskins

Magic! Magic! is about a midwestern girl named Kaye Kaye who ventures to New York to further her studies, she becomes involved with a series of strange characters after she rents a loft in downtown Soho. These characters include a punker, a very emotional landlady and her children, a cook, a cop, a florist, an Indian, a magician's assistant, several clowns, a hypnotist, a promising Texan actress who becomes her roommate, a handsome boyfriend, and a mysterious magician

A fine job was done by all of the cast members. Deb Holmberg gave an admirable performance as Kaye Kaye, while Deanne Hansen and Bob Steffen also gave fine performances as Kaye Kaye's roommate Roni and Kaye Kaye's boyfriend Bob. Other outstanding performances were by Rhonda Brancecum as Kaye Kaye's landlady, Doug Schuler as Muldoon, and Cathy Blackwell as Massa Cazzo

FATHER-DAUGHTER DINNER DANCE

The Blue Moon was the sight of the 12th Annual Father-Daughter Dance, which was held on February 22 this year. Over 200 couples had a great time dancing the night away. As usual, awards were given. They were Cutest Couple — Leslie and Leo Nelson; Closest Family Resemblance — Lisa and Roger Smith; Best Dressed Couple — Rise and Charlie Jones; and Best Dancers — Terry and Keith Bauer. Mr. Martinak won the award for Best-Looking Father and Mr. Madden was awarded Most Energetic. Mr. Whitmer took the award for Most Years in Attendance. The success of the dance makes it a popular and fun event for all

PUNK DANCE & BEACH PARTY

The Punk Dance was held in the Larkin Commons. Cans were contributed for the Can Drive instead of buying a ticket. The upperclassmen DJ'ed the dance and played records that were brought in.

The Beach Party took place on March 24, 1984. The Senior Class Officers sponsored the dance and had professional DJ's to play records. A dance contest was held and prizes were awarded.

OUR TOWN

Thornton Wilde's *Our Town* was presented for the first time at Larkin High School during April of this year. Under the direction of Mrs. Powell, the cast gave four energetic performances.

Mrs. Powell selected a talented cast. The principal cast members were Jeff Abbott and Rise Jones as the stage managers, Bob Steffen and Deanna Hansen as George Gibbs and Emily Webb-Gibbs, Doug Shuler and Deb Holmberg as Mr. and Mrs. Gibbs, and Dan Jamsa and Cindy Rabe as Mr. and Mrs. Webb. Other cast members included Mario Aranda, Todd Broeker, John Byrne, Mark Gerberding, Jim Hammersley, Paul Minnich, Mark Morrison, Laura Munkel, Bob Riggs, Karen Riggs, Tammy Schwartz, Mike Smith, and Wendy Welch. All of the cast members deserve the credit for the wonderful performances.

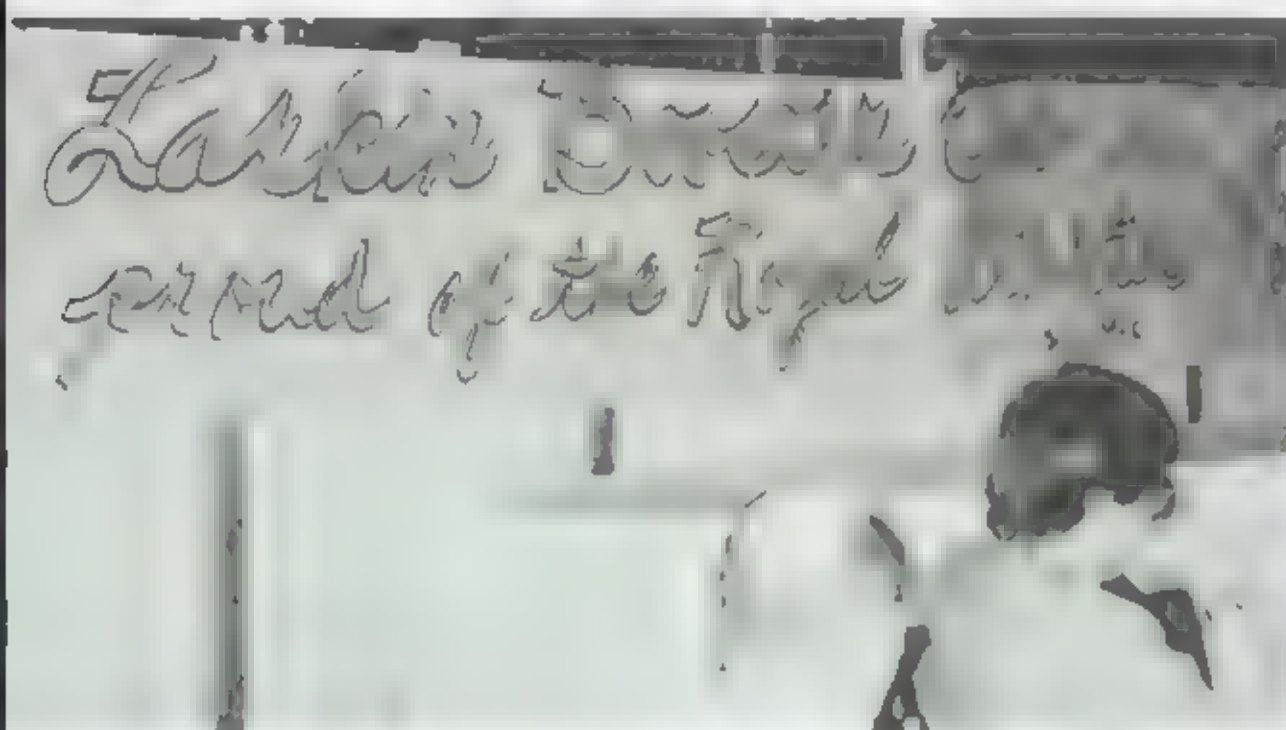

MOTHER-SON BRUNCH

Continuing a two-year tradition, the Mother-Son Brunch was held on May 20, at the Elks Club. Several sons used this as their gift for Mother's Day. It was a fun experience for all, and many look forward to it next year.

SPORTS BANQUET

Athletic letters and certificates were the order at the annual Sports Banquet held May 23 at the Blue Moon Restaurant. This end-of-the-year event was, as always, sponsored by the Larkin Booster Club. Two of the most esteemed awards went to Scott Brummel as Athlete of the Year and Casey Caul as Sportsman of the Year. The banquet was well attended, and it is a credit to Larkin to have such an active booster club.

PROM NIGHT '84

The 1984 Junior-Senior Prom was very enjoyable for everyone, thanks to the LHS parents and the class of '85. It was held at Indian Lakes Resort on May 4. The theme this year was "Street Of Dreams", and everyone danced to the music by "Herc". Everyone had a wonderful evening.

GRADUATION FESTIVITIES — SENIOR
RECOGNITION AND GRADUATION

Department Award Winners

The Senior Recognition Assembly was held in the gymnasium on Tuesday, May 22. Not only was it a time to officially recognize academic excellence, but also it gave each senior an opportunity to officially appear in his graduation robe.

GRADUATION FESTIVITIES

Baccalaureate has become the final festivity sponsored by the Senior Class. A slide presentation was shown to a tape of popular music, and a song entitled "A Candle on the Water" was performed by Karla Loehr and Jeff Cargill. The Invocation and Benediction was presented by Rev. Robert E. Linstrom.

Graduation 1984 commenced under a blue sky this year. The class valedictorian Sharilyn Kramer, inspired the graduating seniors with a fine speech, and a great address was given by Risé Jones. The class of '84 graduated in high spirits, ready to open the next chapter in their lives.

ENGLISH

Ms. Green is, as always, hard at work in the Reading Center.

This year, the English Department further implemented the many changes in the curriculum instituted last year. As a result, no new classes were added to the English department. However, several new teachers joined the staff. They were Mr. Rich, Mr. Price, Ms. Green, and Mrs. Morrison. Mr. Rich transferred from Larsen, while Mrs. Morrison came from Kimball.

As usual, the English Department planned numerous field trips during the year. These include the following: a trip to the plays *Mac Beth*, *Romeo and Juliet*, and *Death of a Salesman*, and a trip to see the impersonator of Mark Twain at Hemmens Auditorium.

FOREIGN LANGUAGE

Todd Hayward is concentrating so hard

Mr. Barth seems a little out of sorts

A single change was made in the foreign language department this year. This was the addition of a fourth year German class. Now, four years of each language are offered. Lack of enrollment, however, has cut down Latin classes to only two years. Despite this, there were more students involved in and enrolled in foreign language classes this year than last. Participation also increased in the foreign language clubs, to the extent that a Spanish Club was formed

MATHEMATICS

Mr. Hofstetter is having fun at the chalkboard

1983 didn't bring a lot of changes to the Larkin Math Department, only that this year there wasn't a Basic Freshmen math course or a Freshmen math course. Pre-Algebra had also been dropped. But there still was the Up-State Eight Math Contest in April in which the academically talented students competed

Tammy Stewart wonders what she will find

This year the science department had not really changed with the exception that some second year 3-4 classes were not offered. Of the entire student body, 62% of the students were enrolled in some sort of science course. Although only one year of a lab science is required, the science teachers strongly urge all students to take a minimum of two. The science department participated in the annual Jets-TEAM competition held late in February where Larkin placed third.

The art department worked on many projects this year. For the fall play, *Magic Magic*, Mr. Kleen's painting class did a wonderful job doing the scenery. The sport's office had a large mural painted by the students.

In the classroom, students worked on projects in the fields of sculpture, painting, commercial advertising, photography, etc. Many of these were exhibited in the library. The art teachers believe many of the students have a lot of potential and hopes for furthering careers in the art field.

The new marketing book helped students a lot

1983 was the second year that marketing has been offered at Larkin. Different areas covered in marketing are consumer market, industrial market, pricing, channels of distribution, promotion and selling, and marketing management. The marketing class also went on several field trips. They went to the Mercantile Exchange, State Street, Spring Hill Mall, Merchandise Mart and WMAQ-TV. The twenty-three students in the marketing class also were responsible for setting up a display case every nine weeks.

Marketing looks extremely exciting

APPLIED ARTS

I want you

Applied arts had one staff addition this year, Ms. Dumford, who also taught at Elgin High. There was also one course addition this year; that was Woods 3-4. This class was added with the intent of adding a building trades course next year. Fourth and fifth hour American foods classes presented their "Blue Denim Dinner," which was served once a month. This class serves foods from all around the United States. An example of this would be their Pennsylvania-Dutch meal.

The "Loading Dock Luncheon" was headed by Beverly Carrington. This food service class served soup and sandwiches every Tuesday, and a luncheon on Wednesday.

Honest, that's what really happen

Lark n s Bus ness Department offers many classes to stu dents, such as Orientation to Business, Accounting, Record Keeping, Data Processing, Marketing, Typing, Shorthand, Office Practice, Business Law and Consumer Business Edu- cation. The teachers who teach these classes are Mr Nos- bisch, Mr. Newquist, Mrs. Carpenter, Mrs. Hultgren, Mr Haacker, Mr. Shultz, and Mr. Jensen. There are many advan- tages in taking business courses. The most important advan- tage is that one can obtain skills that are marketable. Another advantage is if one s planned career does not work he will have a business skill to fall back on.

Ms. Foley replaced Mrs. Rivera while on maternity leave

Health classes this year were of a good size. They consisted mostly of sophomores, but with a few juniors and seniors also. The health classes had several guest speakers, including Mr. Ryan from Larkin. Students also had the opportunity to go on a field trip. Mrs. Rivera, head of the health department, thought that the classes were very good this year.

Health is so Cool!

Ms. Voelz just wants the day to end

MUSIC

Now what's the problem?

The music department includes orchestra, band, and chorus. Each participate in various concerts and festivals that keep them busy throughout the year. The orchestra students performed at many concerts, including the University of Illinois Orchestra Consortium in February, and the Senior Recognition assembly.

Band, like the other music groups, had a Winter, Christmas, and Spring concert. The Jazz Band once again traveled to Eastern Illinois University for the jazz festival that was held there. The Concert Band participated in many cultural events, including the Fox Valley Music Festival.

The four choruses are Madrigals, Concert Choir, Choristers, and Mixed Chorus. They participated in such events as the IMEA state convention, and the Fox Valley Music Festival.

SPOTLIGHT ON CAST — SENIORS

SENIORS

The Senior class officers of Larkin High in 1984 were four of the most hardworking students of their class. These students included Jenni Behnke, Treasurer; Amy Bouque, Secretary; Bob Steffen, Vice President; and Jeff Abbott as President. These students helped sponsor many of the after-school activities that were enjoyed by a number of the students in the 1983-84 school year. These activities included Homecoming, school mixers, a car wash and prom.

When Jeff Abbott was asked how he felt about his position and what he had learned from it, he replied, "I was very honored that my classmates had entrusted me with a large part of the responsibility for carrying out class activities and fund raisers for our junior and senior years. Being Class President gave me the ability and opportunity to express myself in a variety of situations. It has also given me a better understanding of the conditions that shape school policies. Most importantly, it was fun and allowed me to deal with and learn from many people with whom I would ordinarily have been unlikely to come in contact. I think the experience I gained will prove to be extremely helpful in the future."

SPOTLIGHT ON CAST — JUNIORS

JUNIORS — Class of 85

This year the Junior Class was led by (left to right) Karen Riggs, Treasurer; Sarah Freedlund, Secretary; Lisa Smith, Vice President; and Andy Underwager, President.

The 1983 Junior float won "best theme" in the homecoming parade. This theme was "Tomcats, Chicken of the Royal Sea." The Junior class, also, held some fund raisers this year. One was a car wash for Mike Gomiack which raised \$500. Another fund raiser was selling candy for the Jr. Sr. Prom. The sponsors of the Junior class were Mr. Champion and Mrs. Sharpe who directed them through the year's activities.

SPOTLIGHT ON CAST — SOPHOMORES

SOPHOMORES — Class of '86

This year the Class of '86 is led by President Jodi Glaser, Vice President Rachel Kellenberger, Secretary Lisa Cork, and Treasurer Norman Abdallah

During the year the officers of the Sophomore class organized support, and raised money for many activities, including such annual events as floatbuilding. The sophomores have raised over a thousand dollars for next year's Prom. They also held a car wash raising money for Mike Gorniak. The class officers offered a trip to Great America for the sophomores at the end of the year

SPOTLIGHT ON CAST — FRESHMEN

FRESHMEN

The Freshman class, or otherwise known as the Class of '87, had a wonderful year. The freshmen were led by a young man by the name of Eddie Johnson. The rest of the "cabinet" consisted of Angie Morgan as Vice-President, Laura Munkel as Secretary, and Mona Garcia as Treasurer. The name of this year's Homecoming Float was Kick Em in the Buns Big Blue. To help raise money they sold class shirts, popcorn, taffy apples, and candy bars.

SPOTLIGHT ON STUNTMEN — SPORTS

FOOTBALL CHEERLEADERS

Larkin's cheerleading squad survived several replacements to come through with as much spirit as ever. This year's squad had the option of either to cheer for football, basketball, or both. During summer competition the Varsity squad placed a respectable 4th at camp. The J.V.s did spectacular by placing 2nd and sending Tammy Schwartz to the Grand Nationals, where she placed 6th. The cheerleaders raised money this year by selling M&M's. Varsity was co-captained by Chrissy Lowe and Lana Schuitz. The J.V.'s were led by co-captain Betsy Farley and co-captain Tammy Schwartz.

LARKIN FOOTBALL

The varsity football team had a disappointing season this year, losing seven of nine games. An inexperienced squad and a schedule which included four of the top ten teams in Illinois led to our first losing season in nine years. Individual efforts by outstanding players highlighted the varsity performance. Scott Brummel and Andy Minehart (co-captains) were the outstanding seniors while junior letterman Vince Harris led the scoring attack. Coach Haley said, "We will have a strong nucleus returning for the 1984-85 season."

SOPHOMORE FOOTBALL

Being Co-champions in conference play, the Sophomore football team had an excellent year. Losing only to Elgin, they were 6-1 in conference and 8-1 on the year. Coach Schabert said, "We feel this year's defense, which allowed only 35 points and 4 shutouts, was outstanding in that we played 22 men on defense and offense. When you can play two units and play that kind of defense, you have a strong team."

Coming through a roller coaster type of year, the girls did well to place second in the conference and almost pull a win in the finals of the regional competition. The strength of the team was Mary Kay Kinsinger's ability to set and the ability of the team to hit the ball well. Setter Mary Kay Kinsinger, hitter Traci Utt, and defensive specialists Sharon Balsis and Jamie McCoy were the seniors on the team.

GIRLS' CROSS COUNTRY

"Carne Coulom was a team leader this year and an extremely hard worker. She is the type of athlete you want all of your teammates to become. We're all going to miss her next year!" These were Coach Schwarz's comments on an outstanding participant on the team. The girls had a bond between themselves that developed as the season went on. Coach Schrauf felt pleased about the results in the conference meet and said, "The conference meet was great. The girls were really 'up' for this meet. Almost every girl did her best time in each event." Varsity had an 8-3 record despite the lackness of depth.

This year, the Larkin Swim Team did very well. Coached by Mr. Hamrin and assistant coach Maureen Dwyer, the Varsity Team had an 8-4 season while the J.V. Team had a 9-3 season. Throughout the season, the team did nothing but improve. Coach Hamrin is looking forward to an even better season next year, despite the fact that seniors Scott Mink, Bob Riggs, and Rob Zils will be gone. The swimmers ended the season with Varsity placing 4th in conference and 5th in district. The J.V. swimmers placed second in conference. Bob Riggs and Kurt Wright both advanced onto state in diving and 100 Butterfly, with Wright placing 17th. The team was excellently managed by Beth Geske and Cindy Mogler.

GIRL'S TENNIS

"This year's team lacked the depth to win enough matches at all positions, which caused us to lose team matches to schools we have beat in the past," quotes Coach Evans. Despite this, the girls always had the desire to do better. This was illustrated when Larkin won championship matches during the district meet in both singles and doubles and the title after losing at dual matches to four schools within the district. Traci Auble and Jennifer Emmert qualified for the state competition in a doubles position. Nancy Schroeder also qualified for the state competition in a single's position.

A drive to break school records lived in this year's team. At Grant H.S., five records were broken by the team, and Shari Kramer set a unique one by scoring a nine on the floor exercise. Coach Todd said glowingly of the team — "This was our strongest team ever. But due to injuries we did not finish as a team or individually as well as I thought we could have." Larkin placed third in Conference and fourth at Districts.

The boys' gymnastics team finished the year with a 1-9 record which does not reflect how well the team improved during the season, of the nine losses, three meets were decided by a three point margin. Graduating seniors of the team included Luis Rodriguez, who was the first Larkin boy gymnast to score a 9 and who holds Larkin's individual vaulting record, and Mel Tackett, a first year gymnast who scored well on the rings. Juniors Coach Todd is counting on next year include Jim Crosby and Ken Redmond, a potential all-arounder who tied the 9.0 vaulting record, and Daniel Rodriguez who were all brought up to the varsity squad early in the year. Consistently good performances were handed in by John Canfield, Sean Rocke, and John Shales. The frosh-soph team ended their season with a 7-3 record behind the leadership of Andy Bouque.

The frosh team finished with a 2-6 record, but it has been considered the best looking young team Larkin has had by its coach.

GOLF

The varsity golf team, led by Ken Fields, Brad Hayes, Kyle Pedersen, Gary Morgan, Scott Wallis, and Jon Hertel, made a strong showing, compiling an 8-2 record. Consistency was the back-bone of the team; someone always came through when necessary. Beating DeKalb by one stroke, which was their first loss in conference play in four years, was the most memorable game of the Larkin season. Although Coach Eshelman said they never played up to ability, he believes their strong sense of dedication and desire to win will produce another winning season next year.

The Sophomore team also had a good season, compiling a 6-3 record.

This year's badminton team had a lot of returning players which gave them more experience. That experience led them to many victorious games. One of the outstanding players this year was Marianne Bartima, a foreign exchange student from Denmark. She came in first at conference. All together the team had a lot of fun and did a great job

Better luck next time!

GIRLS' TRACK

This year's Larkin's girls' track team came in 9th place out of 14 teams at the Kane County Meet. The most valuable players were Becky Cargill and Lisa Smith. Also, Kerry McGinnis and Kecia Wilson were most improved players. Next year the team will be even better because the majority of the team will be returning.

The Larkin Softball team played their toughest competitions at the beginning of the season which hurt them toward the end. Another problem the team faced this year was that the weather stopped them from having practices outside, which didn't give them a chance to work with each other on team strategies. The overall record was 12-11. Returning seniors were Mary Kay Kinsinger, Jodi Marhofke, Sharon Balsis, Tina Rozell, Terri Schwartz, and Deanne Kelly.

This year's squad was very well organized with the help of captain Jill Imming and co-captain Lisa Puklin. The Sing Assembly was one of many sponsored by Student Gov't.

A gift from Student Government

Student Government is composed of students interested in the social affairs of the students, faculty and others who are in the community. These students met everyday, fifth hour to discuss fund raisers, dances, and other interesting functions. These functions included a can food drive, computer dating service, the Father-Daughter dinner dance, the Mother-Son Banquet, a various number of dances and assemblies, and the Adopt-a-Grandparent program. Larkin's Student Government was also responsible for starting the Students Against Drunk Driving (SADD) here at Larkin. All in all, this Student Government was very active and highly motivated.

Cindy and Melissa discuss their options

The Advisory Board was a group of students who helped make Larkin an eventful school during the 1983-84 school year. The Advisory Board members were elected by their classmates at the end of the previous school year, with the exception of the freshmen members, who were elected at the beginning of the year. The members met during fifth hour to discuss their ideas for making Larkin a more enjoyable school. One of the ideas that the Advisory Board thought of is having an assembly in which the Chicago Sting would perform for the students, and where some of the students would participate too. This was one of the many activities that the Advisory Board planned for the students at Larkin, and only one of the many more to come.

For the past three years, students from each of the four grades have had a chance to go skiing with the Ski Club. The Ski Club goes to many ski resorts such as Devil's Head, Wilmot, and Alpine Valley. The Devil's Head trip was the highlight of the year. This trip was on a January in-service day in order for students to get a full day of skiing on some of the best slopes in southern Wisconsin.

NATIONAL HONOR SOCIETY

Chris Collins studies hard to keep up the N.H.S. reputation

Mike Mobley shows how to become an N.H.S. member

There are many factors involved in picking a National Honor Society member. A prospective member is rated on a scale of 1 to 5, 5 being the highest, in four areas — scholarship, service, leadership and character. For a high rating in scholarship, a student must have a high enough grade point cumulative average; a junior must have at least a 4.75, and a senior must have a 4.50. In addition to being courteous, a student should be willing to give his service to the school. The leadership a student possesses is based on his contribution of suggestions and the initiative he shows in the classroom, athletics, or organizations. Furthermore, cooperation with school regulations, honesty and reliability are some traits that have to be met to rate high in character. After being rated by at least four members of the faculty, the student must average four or higher to be selected by the National Honor Society. There were two co-sponsors of the Larkin Chapter of the National Honor Society this year, Mrs. Marc Henrkson and Mr. Donald Caldwell. To pay for the new members' pins and certificates and a gift for the school, this year's members sold M&M's. In addition, N.H.S. had a spring picnic and went on a spring field trip to Evita

Presidential Classroom is the name given to the course that enabled several Larkin students to visit the nation's capitol in Washington, D.C. The students, who participated, were chosen by their applications that they submitted to Mr. Jenkins, who sponsored the students. Next, the students were placed into pairs and sent to Washington, one pair at a time. While in Washington, the students visited such places as the Smithsonian Institute, and the Library of Congress

WEPS is the name of the radio station that is owned by District U-46 and operated by students who attended the district's three high schools — Larkin, Elgin, and Streamwood. The students who operated the station were enrolled in the radio classes offered at their school, and their class time was split in two. For half of their class time, they were in the classroom learning how to create an imaginative program that could be used at the radio station, on the air. The other half of their class time was spent on the air, using the programs that they had written in the classroom

French Club began this year with a slow start, but that didn't stop them from having fun. They had a very successful fund raiser selling jewelry. Then with the money they raised, scholarships were given to outstanding seniors in French. The money was also used to help pay for a field trip into Chicago to see a French play. While they were in Chicago, students were able to practice their French by eating in a French restaurant. A fun and exciting year was had by all.

Mr. Ottinger was in charge of the German Club this year. The club boasted about 30 members. For fundraisers, they sold candy bars, the ever popular gummy bears and gummy rolls, and Advent calendars. They also played host to the German Exchange Students in April. This included a welcoming party for the students and a trip to House on the Rocks. Mr. Ottinger stated that this year had a lot of active and imaginative students who took part in many ideas. He (Mr. Ottinger) enjoyed it.

LATIN CLUB & SPANISH CLUB

A nice quiet class

until they bring out the hat!

During the year Latin Club was busy planning and raising money for the events they hold every year. These events were the Latin picnic, the festival to the Ides of March and the annual Roman Banquet. These were all fun and interesting activities that taught a Latin student a great deal about Roman culture. The Latin Club officers included Consules Jeff Canfield and Teresa Willison; Praestor: Kareem Raheem; Quaestor: Amy Gasser; Scriptor: Julie Weston; and Senatores: Audra Auschenbrenner, Scott Davis, and Peter Walz.

Spanish Club was added to the long list of groups and organizations this year. The forty members who participated in the first year of this club enjoyed many activities such as a Spanish Fiesta at Christmas, a Spanish musical and dinner, the construction of their Homecoming float, which won first prize in the best non-float category; and a candy sale in December. The officers who helped organize these activities were Jennifer Rakow, President, Kerry McGinnis, and Shari Kramer, Vice-President; Jeff York, Secretary; and Bob Riggs, Treasurer. The hope of Mrs. Mueller and the Spanish Club members is that there will be as much interest in their club next year.

Student pages are a valuable plus for helping our school run more efficiently. They help eliminate many of the minor details in which the secretaries would have to spend much of their needed time. HERO

Lynn Moree studies the taxes of 1984

Home Economic Related Occupations, or HERO, as it is known, has been a very active part of Larkin High School for the past twelve years. This year was no exception. Headed by Mrs. Landfear, HERO tackled many tasks. These tasks included candy sales, honey sales, jewelry sales, stuffed animal sales, going to the National Restaurant Association Show, overnight at the Rollies Hamilton Motel in Springfield, and a visit to ECC and Harper Jr. College. Student Leaders of the fourth hour class were Sue Mays, President, Michelle Housler, V-President, Stephanie Smith, Secretary; Mary Outlaw, Treasurer; Chris Tackett, Fundraising Chairperson; and Sergio Perez, Historian. Fifth hour student leaders included Rochelle Johnson, President; Mickey Moore, V-President, Chris Blaser, Secretary; Kimble Harper, Treasurer; Dianne Pozizinski and Pat Peterson, Fund Raising Chairpersons; and Shawn Scruggs and Nadine Stramaglio, Historians. Special recognition went to Chris Blaser for being elected V-President of section 1B. The role of V-President included planning meetings for this section which governs Kane and DuPage Counties.

Deb Homberg and Dee Hansen star in *Magic!*

Drama Club is an organization designed to bring together people who are interested in acting and who want to learn more about the theatre, while still having fun. The Drama Club participated in many activities this year. They helped with the fall and spring plays, sold Christmas ornaments, and attended the play, *Death of a Salesman*. A drama award to two deserving seniors who were active in the drama department was given at the end of the year.

Headed by Deanna Hansen, President, Mike Smith, Vice-President; and Todd Broeker, Secretary-Treasurer, the Drama Club was a very organized, highly-motivated organization.

Creative Writing has been taught here at Larkin for the past two years. When asked to describe the course, Ms. Totaro stated that it involves a lot of discussion along with a lot of writing with one's inner-most thoughts. She explained that the class spent a lot of time discussing their personal feelings in-depth and listening to others in the same manner. It is also a class that is easy-going and humorous.

Among some of the activities that Creative Writing has tackled are field trips and a literary magazine, in which all Larkin students are encouraged to participate.

CONCERT BAND, CONCERT BAND OFFICERS & JAZZ BAND

Larkin gives students an assortment of bands from which to choose. These include Jazz, Pep, Varsity, and Concert Band. Jazz Band had a very successful and enjoyable year. They traveled to the Eastern Illinois University Jazz Festival as well as performing concerts at Spring Hill Mall and Hillcrest and Highland Elementary schools during the spring. Pep Band appeared at all of the nine home basketball games this year with at least 45 members attending every game. Their exhibition of musical quality and enthusiasm greatly enhanced the school spirit of the games in cooperation with the Pom Poms and cheerleaders. The success of this year's Varsity Band has been largely a combination of overall team-work supported by several outstanding individual musicians.

CHAMBER ORCHESTRA & ORCHESTRA REPRESENTATIVES

This past year orchestra was relatively busy with a concert with the Concert Choir at Christmas, a February 16 winter concert, a trip to Champaign, and a performance at the Recognition Assembly

Mr. Patterson had two student teachers to help him prepare the orchestra: Joanne Wilden for nine weeks, and Karen Eberhart for a semester

The orchestra participated in two fundraisers. A fruit sale was held by the entire music department in order to buy new music. Also, the orchestra sold jewelry in order to buy uniforms

Although the orchestra started out with a majority of underclassmen, a lot of hard work and dedication helped them make much progress. Mr. Patterson looks forward to next year's students with high hopes

CONCERT CHOIR & CHOIR OFFICERS

Our Choirs have been one of the most talented in the area for years. Directed by Mr. Phillips, Concert Choir, Freshman Mixed Chorus, Madrigals, Choristers, and Swing Choir performed for many audiences during this year and took part in competitions, such as District and All-State. Concert choir also performed at the Fox Valley Music Festival. All of the music department, including Orchestra and Band, helped raise money for new music, by selling citrus fruit during the Christmas holiday.

The editors of this year's paper were Sarah Freedlund and Nancy Fabrizio. Under the guidance of Mrs. Powell, Sarah and Nancy lead the rest of the staff through a very productive year. In addition to writing and publishing the paper, the Loyal Royal staff attended field trips to the University of Wisconsin and Northern Illinois University, and also participated in the Channel Eleven Auction. Fundraisers held by the Loyal Royal staff this year were calendar sales and a raffle for a Cabbage Patch Doll.

CERULEAN

This year Cerulean was more productive than ever. First semester Ms. DeVoss supervised the group since Mrs. Wieg was on maternity leave.

During the first semester, the yearbook staff went to Whitewater and learned much there. Other activities that the staff participated in were going to Great America and a field trip to Channel 11, sending Melissa Craig and Jennifer Leth to Winston-Salem, NC, and also designing Cerulean jackets.

The staff members hope you enjoy your book.

SPECIAL THANKS TO

Morris Ferensen: For always appearing in our time of need.

Miss DeVoss: For taking care of Wieggy's little flock while she was away.

Mrs. Powell: For bringing over goodies from her birthday party.

Weggy: As always for putting us through just in the nick of time. She deserves our gratitude.
